1. Please describe below the reason(s) why the nominee deserves this award (maximum 300 words)

NB – you should refer to the award criteria when completing this section and try to explain how the nominee has meet some/all of the different qualities described.

We trained Aisha at her school, Holland House, last summer. Aisha was really keen to take part in the cycle training despite having a PICC line (a catheter that is inserted into a vein for long-term intravenous antibiotics, nutrition or medications), and her father attended the session to assist, as he has received the necessary medical training. Aisha's determination to take part made it so easy for us to organise the training, as her ambition was utterly infectious!

Aisha took part in the full course and achieved Bikeability Level 2; she is now a keen cyclist and took pride in her accomplishments on the course.

Aisha and her parents have continued to cycle since the training. Currently, she is staying at Great Ormand Street hospital, though she hopes to be back on her bike soon.

We wanted to nominate Aisha in recognition of her admirable resilience and inspiring determination.
