Thank you Dulcie and Sue for organising the 'bike maintenance' sessions for Boys Group as they have all thoroughly enjoyed them! The sessions run by Kevin and Martin were very informative and gave the boys a chance to get hands on while learning new skills. It also gave the boys the opportunity to show off what they knew, giving them a confidence boost which is what some of them desperately need.

I was surprised when Kevin told me that this was the first time they'd done such a session as both he and Martin were very at ease and it ran very smoothly.

Thank again,
Clare
