Subject: Testimony Carla

Dear sis/Madame,

My name is Naheem Aziz and I have been part of TAWS since January 2019.

I have worked with Carla throughout my work and have found Carla to be a down to earth individual. From the first time I met Carla she made me feel comfortable and has a welcoming character.

Carla has an ability to be very concise with her words which learners and myself included find helpful. She remains conscientious of those around her and is able to make anyone feel comfortable. She has helped me with my delivery with good advice and has been very supportive throughout my training.

Kind regards,

Naheem Aziz
