1. Please describe below the reason(s) why the nominee deserves this award (maximum 300 words)

NB – you should refer to the award criteria when completing this section and try to explain how the nominee has met some/all of the different qualities described.

Gemma started in our small village school 2 yrs ago we were lacking in activities for the children to become active. Gemma took this & has transformed the PE lessons, after school clubs & even helping other teachers into evolving their PE enrichment with children.

Our 130 pupils took part in the nation Big Pedal 2019 & we came 4th in Devon & 94th nationally. This was amazing we were so excited, the children were so excited to be cycling to school, even if the travel through the village road can be 'challenging' with the traffic.

At Christmas we took part in Leg it Lapland we came 3rd in Devon. All the hard work & promotion to parents & children is all down to Gemma's commitment to the children learning & leading healthier life styles. We are becoming a sugar smart & healthy eating school too, the bake sales have stopped & become snack sacks, after school raising money for our PTA.

Gemma has also help raise the profile of the school in the local community & arranging various matches with other local schools

Bikeability has been carried out by the school but felt like just because we always have, this year it is being introduced to the younger children. We have a bike club on a Tuesday after school open to all the school to help build confidence, safety & maintenance of the children's bikes.

Early years have also been included by Gemma, when previous they may have been forgotten about, new balance bikes & trikes to get the children started, in cycling. Hopefully more to come when storage space allows.

All the children & staff love Gemma enthusiasm for the children being active, especially cycling. Fingers crossed for the fundraising for bike & scooter storage.
