Dear Bikeability Trust,

Please find attached our nomination form for WSCC's rider of the year. You will also find X3 extra attachments to coincide with section 2 of the nomination form.

As mentioned with Alison and Louise, in order to not miss the deadline- this form is unsigned. I shall be sending a signed version of this form through early next week.

Many thanks, and I hope that the extended application date for nominations has resulted in more nominations. I think this is an excellent addition to the National conference.

Many thanks

Ed
